

It Ain't Over Ministries

Ministerial Ordination Requirements

Below is the list of “**Mandatory Requirements**” that a person must meet in order to be Ordained into Ministry under the headship of It Ain't Over Ministries. This list is non-negotiable. All points must be completed in order.

The cost of Ministerial Ordination by It Ain't Over Ministries will be \$200.00 (USD). You may make this payment in advance at the time of you receiving your welcome letter as outlined below, or if you aren't able to afford the payment in full prior to starting your journey to Ministerial Ordination, you may work out a payment plan with us over the course of time you are working to complete the requirements listed below. But **payment must be made in full prior to the completion of the list of requirements.**

Understand that It Ain't Over Ministries is not a “*pay-per-license*” type of Ministry, meaning that we will not accept your payment and then immediately issue you an “Ordination Certificate”. You will have to put in the necessary work, time, and endurance, as described below, along with your payment, in order for you to be Ordained by It Ain't Over Ministries and thereafter under our headship.

The cost of the “Ministerial Ordination” goes to cover the cost of our Ministry offering this service to those who cannot afford any type of formal Seminary training but feel called by God into a type of “formalized” Ministerial capacity. That does not negate the fact that what you will learn & experience here is any less credible or truthful than what can be ascertained at a larger more formal Seminary but will actually be better than that and more “fast-tracked” than 4+ years and way less costly than the \$40,000.00 minimum of a formal Seminary.

Finally, if you truly desire to take this route, and if you truly feel like God is calling you into Ministry, it should be understood that this is a small investment to return ratio of what you will be receiving in the end of this journey.

Following is the list of requirements:

1. Show evidence of being “Called” by God into Ministry by submitting in writing why and how you feel or believe that you are being called by God into Ministry. This can be 1 to 2 pages in length and must be New Times Roman 12 point Font, Left Justified, and 1.0 line spacing.

Upon completion of the list above, you must prepare a “message” or “sermon” outline, or notes and video record preaching/teaching this message and submit the recorded message and written outline or notes to us as soon as it is done. This step should be completed no less that 15 days after having satisfactorily completed the above requirements.

After having received the above video recording and viewing it, we will schedule a time with you for a meeting online (via Zoom) where we will ask you random questions as a final, verbal test of your knowledge of Scripture, Christian History, Denominationalism, Church History, Ministry, etc..., things that should be common knowledge to someone seeking Ministerial Ordination, and very easy to answer just having completed the RBSC.

Once all of the above has been satisfactorily completed in its entirety, you will receive an email from It Ain’t Over Ministries with further instructions including the date, location, and time that the Ordination Service will be held for you. At this service you will be officially Ordained into the Ministry by the leadership team of It Ain’t Over Ministries with the anointing of oil and a consecrating prayer by the laying on of hands and then presented with your formal “Certificate of Ordination”. *

It is with our heartfelt prayer and earnest desire for your success in your calling that we thank you for taking the time to be considered by It Ain't Over Ministries for Ministerial Ordination.
